## Global Peace and Development Agreement for a United Developed World

Acknowledging the devastating impact of war and the desire for peace, all countries agree to the following terms to ensure a conflict-free world and a pathway for rapid development.

- 1. Prohibition of War:** All countries pledge to renounce war and terrorism as methods for resolving disputes and conflicts.
- 2. Peaceful Resolution of Disputes:** All countries agree to resolve any disputes through peaceful means, such as negotiation, mediation, and arbitration.
- 3. United Nations Military:** A "United Nations Military" will be formed by merging the military forces of all countries, including NATO. This United Military Force will address various peacekeeping issues.
- 4. Non-Aggression Pact:** All countries pledge not to engage in acts of aggression or military intervention against any other country.
- 5. Disarmament:** Commitment to the gradual reduction of military forces and weapons, with the ultimate goal of complete disarmament.
- 6. United Company:** United Company will be established to build planned cities and create housing and employment opportunities for all.
- 7. Invest in Education:** Ensure access to quality education for all citizens to build a knowledgeable and skilled workforce.
- 8. Improve Healthcare:** Provide comprehensive healthcare services to improve the overall health and productivity of the population.
- 9. Strengthen Infrastructure:** Develop and maintain infrastructure such as roads, bridges, and public transportation to support economic activities.
- 10. Enhance Governance and Rule of Law:** Establish transparent, accountable, and efficient governance systems to foster trust and stability.

**Legal Actions:** Potential prosecution of individuals involved in violations, in international courts such as the International Criminal Court (ICC), for breaches of international law.
